POINTS TO REMEMBER

1. Stadium gates will be open at 4:30 p.m. for the early bands. Remember to be at the stadium at least 1 hour before your performance.
2. Use the North Tunnel to store large equipment, and the top of the Orange section just below your band seating area to store your medium-size equipment. Keep the walkway area in front of the bands clear.
3. Have your Drum Major (s) ready to come down the 50 yardline walkway before the last band concludes their program. They may cross the field at the end to receive the participation trophies and your packet of adjudication tapes and forms.
